Gail started call by saying that this call was for the purpose of coming up with criteria for our lottery for the education funds of \$1000.00 we received from International.

After some well thought out discussion from the council members the following is the decision on how the funds will be dispersed.

Motion was made by Barbara-Ann Mac Intosh and seconded by Sandy Anagnostakis. There will be 5 scholarships of \$200.00 each to be determined by a lottery draw and utilized by Chorus Directors and Assistant Directors who apply for any BHS or Harmony Training event only for the year 2010.

Motion Carried

Criteria for applying for this scholarship lottery will be as follows:

Must be a Director or Assistant Director of a Harmony Chorus in Area 2.

Applications for this lottery must be received by July 1, 2010 and presented by the president of the chorus which the Director or Assistant Director comes from.

The name and events which they will attend will be sent via email to Heather Solomon by the president.

Respectfully submitted,  
Gayle Jordan, Secretary
