

Annual Report

Submitted by: Diane Zanetti, Area 2 Director

Since being appointed to this position in August 2012 upon the resignation of Gail Kelsall, it has been a learning experience for me – learning more about the members that I don't know and the issues that affect our Area.

I have tried to make communications among our chapters, associates and myself a priority and plan to continue to do so. Although I met many of our Area 2 Chapter Presidents at the summer Area 2 Council meeting, I have also had the pleasure of personally visiting some of our chapters – Harmony In Motion, Harmony Heritage, Chair City Pipers, Silk 'n Sounds, Champlain Echoes and New England Voices in Harmony and have April visits planned for Barre-Tones, Capital Chordettes and The Thousand Islanders. I will do my best to visit all of our chapters over the coming year.

In November 2012 I attended the Harmony, Inc. International Board of Directors Meeting in Orlando in conjunction with IC&C and will be attending the mid-year in May 2013.

Area 2 continues to be a strong part of Harmony, Inc. although we all have our challenges from time to time. I appreciate the support of those Area 2 Advisors and Associates who give their time to serve Area 2 and hope that everyone feels free to call upon any of them should a need arise in a specific area.

I look forward to continue to serve Area 2 through the next two years.
