RE: Area 2 Website

DATE: April 7, 2013

Our Area 2 Website is up to date with the new presidents and secretaries that have been reported. Also, I have updated the 2 email groups with the presidents email addresses. The 2 egroups are: area2council@yahoogroups.com and area2presidents@yahoogroups.com. Note that only group members can send messages to the groups. In addition to the presidents, the area director, secretary and parliamentarian are members of the presidents group. One area that is likely no up-to-date is the quartets page. This information is provided to me by the International Quartet Promotion Coordinator and is often very late in arriving.

A new look was given to the Area 2 website in late May of 2012. This included the long awaited Calendar of Events page. I update information there as it comes to me from the Area director or other council members. Please feel free to send information you think should be shown there. Your feedback is always welcome.

Respectfully,

Cathy DeCoste
Area 2 Website Coordinator
